

*A few words from our Guest Speaker, Megan Krivsky...*

"Throughout my life, God has been continuously revealing Himself to me. I've learned that God loves people and He has transformed my heart to do the same. Over the course of my time at Wingate University, I have been serving through a local ministry called **Young Life** to reach high schoolers and share with them the incredible God present in everyday life. Last year, as I started thinking about life after college, I began to feel God tugging me towards international missions. I'm excited to step out into different areas of the world over this next year as a vessel for His Spirit." - Megan Krivsky
