

Baptist Children's Homes (BCH) of NC

Many ministries **beating** with **one** ❤️

The heart of Baptist Children's Homes (BCH) beats with a rhythm of hope that extends to children, families and adults throughout 21 North Carolina communities and an orphanage in Guatemala. For each person's distinct need, there is a unique BCH service ready to help.

A nonprofit, BCH provides a variety of services including caring homes for children, supportive homes for single mothers and their children, caring homes for special needs adults, quality weekday education for boys and girls, and loving support for the frail aging.

It is our privilege to carry out the mission of sharing hope...changing lives.

Lottie Moon's Mission...

When she set sail for China, Lottie was 32 years old. She had turned down a marriage proposal and left her job, home and family to follow God's lead. Her path wasn't typical for an educated woman from a wealthy Southern family. God had gripped her with the Chinese peoples' need for a Savior.

For 39 years Lottie labored, chiefly in Tengchow and P'ingtu. People feared and rejected her, but she refused to leave. The aroma of fresh-baked cookies drew people to her house. She adopted traditional Chinese dress, and she learned China's language and customs. Lottie didn't just serve the people of China; she identified with them. Many eventually accepted her. And some accepted her Savior.

Brittany and her younger sister Ruthie are cared for and loved at Kennedy Home in Kinston.

Fourteen-year-old Brittany and her seven-year-old sister Ruthie used to live without the necessities of food, running water and electricity.

Now, Brittany and Ruthie have found love and happiness at Baptist Children's Homes' Kennedy Home in Kinston, one of the ministry's 19 locations throughout North Carolina. At Kennedy Home, the two sisters share a room in one of the children's cottages. It looks much like any girl's room. Stuffed animals rest on the made beds. School books spill from book bags on the floor. Pictures of family and friends are on the nightstands. The scene contrasts greatly with their life and their room at home before coming to the Kinston campus.

"I was afraid living at home," Brittany says. "My life would be a lot different if I weren't here."

Growing up, she had endured and had been denied many things. Brittany only recently learned how to tie her shoelaces. "I never had anyone teach me things like that, Ms. Andrea taught me to tie my shoes. I'm really good at it now."

Houseparents Andrea and Fred Johnson care for the siblings and the other children living in their cottage. The children are blessed with a safe home, plenty of food, and are learning about God's love.

And He took them up
in His ARMS, put His
HANDS upon them,
and BLESSED
them.

CHURCH CONFERENCE/DEACON RECOMMENDATIONS

At our church conference next Sunday, the deacons will be making two recommendations. The first one is about retaining the services of Mike Hammond to help us do research and write a historical book for our 250th Celebration in 2023. The second recommendation is about video display and recording equipment that has been donated to our church. The conference will be held at the end of next week's service.
