#### Lottie's Pre-Missionary Life

Born Charlotte Digges Moon, December 12, 1840, in Albemarle County, Virginia. Lottie rebelled against Christianity until she was in college. In December 1858, she dedicated her life to Christ and was baptized at First Baptist Church, Charlottesville, Virginia.

Lottie attended Albemarle Female Institute, female counterpart to the University of Virginia. In 1861, she was one of the first women in the South to receive a master's degree. She stayed close to home during the Civil War but eventually taught school in Kentucky, Georgia and Virginia.

#### Lottie's Missionary Work

Edmonia Moon, Lottie's sister, was appointed to Tengchow, China, in 1872. The following year, Lottie was appointed and joined her sister there. Lottie served 39 years as a missionary, mostly in China's Shantung province. She taught in a girls' school and often made trips into China's interior to share the good news with women and girls.

Lottie Moon was passionate about people knowing Christ. She didn't hesitate to speak her mind. Today's China is a world of rapid change. It's home to 1.4 billion individuals – one-fifth of the world's population. Village dwellers flock to trendy megacities with exploding populations. And China holds its own in the world's economy. It's very different from the vast farmland Lottie Moon entered in the 1800s. But one thing hasn't changed: China's need for a Savior.

### Today and Every Day

Lord, too often our prayers  
Are filled with impatience over what we want  
Instead of gratitude for what we already have.

Remind us today and in the coming year  
What is truly important.

Remind us to give thanks for family and friends.  
Remind us to be grateful for the work you have given us.  
Remind us to appreciate our many material blessings.

Most of all, remind us today and every day  
To give thanks for your precious Son Jesus,  
And the sacrifice he made for us  
To give us eternal life with You in heaven.

Amen.
