Hi Friends, Schools are starting back in person this year, and many churches will also be starting their Awana Ministry in person this year as well. During the last month, we have been working on training for the leaders to prepare them to start. I pray that God watches over our children and leaders and that our ministries are blessed. Let us reach out together to minister to our children who missed so much of that during the last couple of years. Kathy Brock (Please see the bulletin board for Kathy's complete newsletter. Thank you.)
