

Dear Members and Friends of
Philadelphia Baptist Church,

Our church directory is available to view on your mobile device! **We still need pictures, emails and updates sent to us.** Instant Church Directory - the program we use to build our church directory - has a free app for church members to download on their Apple and Android devices.

To download the app to your Apple device, click here:

You will be asked to enter your email address as it's listed in our church records which were transferred to the new church directory. If your email address has changed or if we never had your email address, please let Sheri Bradshaw know so it can be added. Once you enter your email address follow the directions on screen to complete the login process. After you login, the directory will be downloaded to your device. Anytime updates are made, they will update on your device too. In the app you will be able to search for families and members and call, email and text right from the app.

More information can be found at
