"Introduction to a Biblical Worldview: Raising Tech-wise Parents."

We want to put some tools in your hands to help you protect your children from Satan's attacks. On Sunday, June 25th, from 5-7 PM (time change from newsletter) we will have a seminar at our church entitled, "Introduction to a Biblical Worldview: Raising Tech-wise Parents." According to Barna Research, only 2% of U.S. parents with children under the age of 13, have a biblical worldview. Having a biblical worldview is vital to raising children in a social media culture. All parents, stepparents, grandparents, and guardians need to be at this seminar. Please put this on your calendar, and make every effort to attend.
